

JOY FELDMAN - AUTHOR VISIT FORM

Thank you for your interest in having me visit your school or organization!

I am an author and I just love being with kids, parents, and educators who love books and love learning about food and health. I have tailored programs for audiences aged 4-10 years old. I really enjoy working with children, parents, and educators while bringing my books to life. I thoroughly enjoy visiting schools, libraries, and other locations. As part of my visit, I'm always happy to sign books. However, I do not bring books along with me to sell.

If you would like books available for sale as part of my visit, here are several options for obtaining the books:

Contact your Favorite Local Bookstore.

- The bookstore can work with you to place a pre-order, or may even be able to come to your location to do on-site sales before, during, or directly after the event.
- You should ideally contact the bookstore a month or more before the event, so that you can work out details and timeline.

Pre-order books from a Book Distributor.

- For schools, this is often the best option.
- Depending on the size of your order, the book distributor may be able to provide the books to your institution at a bulk discount.
- Ideally, you should make initial contact with the book distributor several months ahead of the event, so that you will know the timeline for ordering and receiving.
- Be sure to ask the distributor about quantities, payment, sales tax, shipping, and returns issues, so that you know all your costs up front.
- Below, you will find a book order form that you can modify and distribute to your students. After compiling your order forms, you'll know what quantity to order.
